

Inspiring Your Audience To **Live Fully!**

DANIELLE NISTOR

DIVINE CONNECTOR AND TRANSFORMATIONAL SPEAKER

Some teachers teach, others heal.

Danielle offers to her audience a holistic experience woven right then and there for their specific needs: vibration attunement, teachings and soul lessons. She blends channeling, teaching, healing and experiential breakthroughs to create a journey onto complete healing and transformation.

Audience Members Rave:

“When I watched Danielle’s presentation “Connecting with the Divine Feminine” during the “2012 Birth of a New Era” event I felt the energies of the divine feminine that were channeled by her coming to heal me and I felt in my heart that she is the right teacher for me. I was moved and inspired by her story and her mission to connect people with divine love for healing and empowerment.” - Joan, Palo Alto, California

“Danielle delivers on her promises and she will do whatever it takes for her audience to create a transformational experience for you to live the life you always wanted and step out from depression forever! Highly recommended!” - Michel, Montreal, Canada

Danielle is a Divine Connector, Transformational Speaker, and Best-Selling Author of the #1 Best Seller “The Spirit of Success”. Her mission and commitment are to empower people to heal their soul, to love themselves and fulfill their life purpose. She is the founder of HealingInSpirit™ and the creator of the CD series “Connecting with the Divine”. She facilitates transformational retreats, experiential workshops and inspirational group meditations, and provides mentoring to empower men and women to connect with their authentic life.

Danielle shares her personal story of overcoming the personal challenges of depression, adapting to a new world and achieving success and stories of miraculous healing and transformation that happened in her clients’ lives. The authentic and inspirational raw delivery of her stories is shared through keynote speeches, breakout sessions, workshops, and through her books. Audiences love Danielle for taking them on a magic journey of connection with their inner self, allowing their Spirit to shine and create the fulfilling life they are here to live.

She has addressed worldwide large groups live, by teleseminars and on webinars to rave reviews and testimonials of miracles happening at her events. She looks forward to having the opportunity to deliver her transformational message to your audience.

Danielle’s essential advice:

“It’s your life. Live it fully. Live it with purpose.”

Most requested topics:

1. Connecting with the Divine

In this inspirational talk, Danielle shares her story of connecting with Mother Mary through visions and channeling in a sacred place of pilgrimage, and how accepting the mission entrusted to her she completely changed her life. She offers practical exercises to support your personal relationship with the divine essence and meditations to connect the audience on the spot with the Higher Self and the Divine Masters. Discover how you too can transform your story, empower your life and redefine who you are.

2. Manifesting Success

Danielle will share with you the secrets of her success offered to her by the Divine Masters. She will create a deep connection to the Spirit of Success and you will receive blessings and activation of new qualities and attitudes leading to success. You will be supported to partner with the Divine in order to achieve success in the quickest and the easiest way.

3. Healing Depression

Depression is a disconnect from the joy and meaning of life. Danielle will teach you that although depression happens to everyone at some point in time, you can reconnect with a better state of mind through a simple set of steps and by using spiritual tools. With meditations and exercises you will invite life's force to regenerate and reconnect you with Source and life itself. She shares her inspirational story about how she was born with depression due to her mother's painful divorce and trauma, and how she healed herself completely without medication and traditional therapy.

4. Connecting with the Masters of Ascension for Evolution

We are living today on the planet extraordinary times of transformation and high speed evolution. The Masters of Ascension offered for the first time through Danielle special initiations and attunements to support accelerated evolution and inner growth.

5. Manifesting Abundance

Abundance is your divine birthright. Danielle will share with you her secrets of manifesting abundance that were offered to her by the Ascended Masters. She will create a deep connection with the Spirit of Abundance to receive blessings and to raise your vibration in order to manifest abundance in your life quicker and easier. You will discover ways to partner with the Divine in order to create more abundance in your life.

Danielle travels globally to bring messages of hope, love and empowerment to audiences worldwide. She shares the truth that divine love and guidance are available to all, and welcomes invitations to connect your audience with their divine purpose to heal their soul, to love themselves and fulfill their life.
